WORK EXPERIENCE

Work and Travel program | 2016

During the summer of 2016, I worked in the USA as part of the student experience exchange program. I was employed by Xanterra Parks & Resorts, INC. at Mount Rushmore National Memorial, Keystone, South Dakota.

OPEN FIELDS Foundation - entrepreneurial practice 2021/2022

The OPEN FIELDS Foundation is a non-governmental organization that helps communities from a social, economic and environmental point of view.

During the internship, I learned about the projects and the way the foundation works.

VOLUNTEER WORK

Growing GREAT, Lindenfeld Association. 2018/2020

The educational program supports the education of children from foster care centers and disadvantaged environments.
